" *The Future of Medicine is Energy and Nutrition, The Future is Now!*"

Dr. Herb Yolin, Cyndy Gray, and Jill Ebbott will have an ongoing day of information, demonstration and food tasting. The research of Dr. Weston A. Price forms the foundation of their work in the field of health. (www.westonaprice.org)

Dr. Yolin will provide free introductory seminars on using cold laser technology for self healing and will provide free energy demonstrations. Problems like: chronic pain, fibromyalgia, migraines, ADD, ADHD, panic disorder, arthritis, smoking cessation and much more will be addressed. The repeated lectures will begin promptly at 10:00am, 11:30am, and 1:00pm. Seating is limited and pre-registration is a must for the seminar. For registration and more information go to www.DrYolin.com or call (617)264-0455. Dr. Yolin is the healthcare consultant for 'The Self Healing Center.'

Cyndy Gray manages *Just Dairy and Brood Food* and will provide information and free tasting of her most wonderful strictly organic foods in the tradition of the Weston A. Price Foundation. Further information about Cyndy Gray can be found on www.justdairy.org and www.broodfood.com. Pre-registration for the food tasting is **not** necessary.

Jill Ebbott is a holistic health counselor specializing in wellness through nutrition. She is the managing director of the Self Healing Center and will be available to answer questions about achieving health through nutrition and supplementation.
